TAKE IT FROM US!

A company's best advocate is its staff. We asked some of our employees about why they chose Armstrong, what it's like working here, and how Armstrong has prepared them for their future. Here's what they had to say.

GETTING STARTED

"I felt the revolutionary idea of treating employees as people before I was even offered a position.."

- Peter McCarthy, EMT

THE JOB

"Armstrong not only wants to shape your skills as a BLS provider but they want you to benefit from your time here so you can further progress in the medical field."

-Delaney Kenney, EMT

THE FUTURE

"I have grown so much in my time co-oping and working with Armstrong, and I am grateful for this experience."

-Samantha Reichgut, EMT/Pre-Med undergrad
